

Student Nutrition Services Fundraiser Exemption Application

What is considered a fundraiser?

USDA and ADE consider a fundraiser to be an event that includes any activity during which currency/tokens /tickets, etc. are exchanged for the sale/purchase of a product in support of the school or school related activity. In addition, giving away food but suggesting a donation would be considered a fundraiser.

What is the allowable length of an exempt fundraiser event?

Fundraisers should be single events of duration not exceeding one week. For instance, installation of a year round vending machine competing with healthy meals with unapproved food choices does NOT represent a fundraiser regardless of who receives the profits and will not be approved by ADE.

Smart Snacks Fundraisers:

- Can be sold/served on campus any time for any length of time.
- Must email or fax fundraiser item name, brand, flavor and size to gpruit@yumaunion.org to meet documentation compliance with ADE for approval.

Other Fundraisers:

- Cannot be sold/served during cafeteria service times, which includes breakfast and lunch.
- Cannot be sold/served for longer than one week.
- Must email or fax complete Fundraiser Exemption Application to gpruit@yumaunion.org to be submitted to ADE for approval and to meet documentation compliance with ADE.
