

**MEASLES AND RUBELLA ADMINISTRATIVE POLICY**

**YUMA UNION HIGH SCHOOL DISTRICT #70**

1. Yuma Union High School District requires proof of immunity to measles and rubella by all staff members.
2. Definition of acceptable proof of immunity is as follows:
  - a. a written immunization history or
  - b. a laboratory report showing positive serology, i.e., presence of antibodies to measles and rubella. MEMORY OF IMMUNIZATION DATE IS NOT ACCEPTABLE; MEDICAL DOCUMENTATION OF IMMUNITY IS REQUIRED.
3. All staff members (full and part-time including substitutes) are required to be in compliance with stated policy.
4. Employees born January 1, 1957, and after must have proof of immunity to measles and rubella.
5. During an outbreak in a school, susceptible (non-immunized) staff members as well as students must be excluded for a period of two weeks from the onset of rash in the case. Absences due to lack of compliance will be unpaid and considered unauthorized.

Implementation of this policy will be the responsibility of the campus health office in conjunction with the building principal.
